*Dear brother/collaborator,*

*We are already at the end of year 2025 and the last two months have been loaded with activities for God's glory. The Lord has been in control of everything.*

**Science-expo**

*As usual we had our Science-expo at the beginning of November at La Roca School.*

*The students presented different projects and we there were winners in all the categories. The group you see here made a 'Smart Pay' - system for the school's snack shop.*

**Aniversary of La Roca Church**

*At the end of November we celebrated the 26<sup>th</sup> anniversary of La Roca Church.*

*It was a time to thank the Lord for His faithfulness of all these years. La Roca church has grown a lot and the Lord has worked greatly by providing everything that was needed.*

### **Presentation in Kindergarten**

On November 24th I did a presentation of our country Curacao to the little ones (5-year-olds) of kindergarten.

This was on request of the teacher of this class. I also shared a little bit about my work as a missionary here in Pery by the grace of God.

### **Workshop on companionship**

Part of our job at school is to promote good companionship so the students can get along better with each other.

To finish this year well, we organized some workshops with students and also with parents.

### **Testimony at the end of the year**

I thank the Lord for this year that is coming to an end. I thank Him in the first place for who He is for me, my Creator Elohim, my Savior and my Guide. He is the One where I hide in storms and He is the One to whom I lift my soul in prayer, adoration, praise and worship for His favors, and abundant grace! TO THE LORD BE ALL THE GLORY AND HONOR for what He has done in this year (Romans 11:36).

Your servant,

*Sharine Brigitha*
